### PROFILE

An exceptionally hard worker with a keen eye, always striving to complete goals in the pursuit of excellence.

Drawing on a strong foundation in development, seeking to create innovative and accessible webpages.

Open minded and always learning.

### EXPERIENCE

#### October 2022 – Current

Web Developer at [Simpleview](#)

- Built and launched custom websites for Destination Marketing Organizations across the UK, US, and Europe, collaborating directly with clients to deliver tailored, functional solutions.
- Developed dynamic front-end components and integrated back-end systems using APIs and databases.
- Worked closely with cross-functional teams to deliver cohesive web solutions.
- Managed projects independently, from front-end development to back-end data integration, ensuring designs were implemented into adaptable, interactive websites for client customization.

#### October 2019 – May 2022

Full Time Student at [Edge Hill University](#)

- Learning and understanding all facets of web design.
- Studying the full development cycles of web design and implementing them into industry applicable workflows.
- Liaising with stakeholders and designing briefs to solve real issues.
- Individual and collaborative work consistent with industry standards.

- AVAILABLE ON  
REQUEST

## TECH STACK

Fluent across Windows, MacOS, Linux.

- HTML, CSS, JS, PHP.
- Vue.js, Laravel, MySQL, MongoDB.

## WORK EXAMPLES

---

Over the past two years my work consisted of either being the primary developer for a client's website, building out every aspect of their site to their design independently, or contributing with other team members to deliver a site collaboratively.

### Primary Developer:

[Visit Lincoln](#)

[Visit Birmingham](#) + replications for [Meet Birmingham](#) & [WMGrowth](#)

[Union County](#) (US)

[Effingham](#) (US)

[Shakespeare's England](#)

Experience Sussex (In build, expected start of December)

### Contributor:

[Visit Swansea Bay](#)

[Visit Bristol](#)

[Visit 29 Palms](#) (US)

[Visit Manchester](#) + replication for [Meet Manchester](#)

[Visit Liverpool](#) + replications for [Visit Wirral](#) & [Visit Southport](#)

[Discover Kerry](#) (Ireland)

[Visit Devon](#)

[Visit Dorset](#)

[Discover Yorkshire Coast](#)

[Block Island](#) (US)

[Cape Cod](#) (US)

[Visit Hamilton County](#) (US)

[Meet Cambridge](#)

[TheNewForest](#)

Andalucia (Spain) (In build, expected end of 2024)
